

Dear Residents,

We are pleased to announce that we will be opening the Banning Lewis Ranch Recreation Center on Monday June 15, 2020. We appreciate your patience as we waited on reopening information from the state and local government. We have been working closely with the YMCA of the Pikes Peak Region to create a successful reopening plan while also ensuring the safety of our staff and residents.

We know everyone is looking forward to using the recreation center again and we are excited to welcome you back! Please read the information below to ensure you are up to date on the latest information and policies as we prepare to reopen.

Before your first visit

You will need to sign a waiver before you visit the Recreation Center.

You can sign the YMCA waiver here: <https://bit.ly/COVID19-Waiver>

Please also take a look at the new policies that will be in place as we reopen the center: <https://ppymca.org/>

Facility Changes

Some amenities will not be offered immediately upon our initial reopening. The exercise area, free weights, cardio machines and weight machines will all be available to use. The pools will be opening on or before July 4, 2020.

As you know, the pandemic has forced many organizations to re-evaluate and restructure many of their operations. The YMCA has not been immune to these changes. We would like to provide you with what we hope to be a comprehensive list of the changes and new expectations that will be in place when the Ranch House reopens.

1. Residents wishing to utilize the facility will need to sign a new YMCA of the Pikes Peak Region waiver online before their first visit, see above link.
2. Residents must sign up for specific time slots in order to utilize the cardio or weight room with a maximum of 10 persons per room. Reservations will be on a first come, first served basis.

Reservation link: <https://ppymca.org/welcome-back/reservations>

3. Reservations will be available at one hour increments and may not be utilized in a "back to back" fashion. Reservations can be made 48 hours in advance. Reservations will close 30 minutes before each session.
4. New hours of operation: Monday - Friday 7:00am - 8:00pm, Saturday 9:00am - 6:00pm and Sunday 12:00pm - 6:00pm. 24 hour access to the facility will remain unavailable. Access to the tennis courts will remain available.

5. Group exercise classes will be held outdoors under the back pavilion or on the lawn. Classes will be reservation only and will be free for all residents until July. A schedule of classes will be sent out as soon as possible.
6. Residents are expected to clean equipment before and after each use.
7. There will be no guests allowed in the Ranch House. Reservations for classes and rooms are for residents only.
8. Children must be under constant supervision and may not be left unattended in the lobby area. Toddler Time will not be provided at this time but we hope to re-establish the program in the near future.
9. Children under 12 years of age will not be permitted in the exercise areas.
10. Children ages 12-15 years of age will be permitted in the exercise areas but they must be accompanied by an adult and must also sign-up for a reservation.
11. The gathering room and kitchen will not be available for resident use at this time.
12. Residents must bring their own water bottles to work out. The water fountain will be closed.
13. Residents must bring their own mats for workout classes if they are required.
14. Social distancing practices of 6 feet should be adhered to as much as possible.
15. Residents will enter the building through the main entrance and exit through the back (west) entrance.
16. All rentals have been suspended at this time and future rentals are not taking place at this time.
17. Mailbox key pickup must be coordinated with front desk staff by appointment

How we're keeping you safe

- Traffic flow - we will maintain a single entry/exit point and regulate traffic flow where possible.
- Temperature checks - staff and residents will receive temperature checks before admittance to Ranch House, temperature must be below 101°.
- Personal Protective Equipment for all staff - All staff will be required to wear masks while serving members.
- New Spacing - We have rearranged our equipment and environments to support social distancing

- Cleaning - We have deep cleaned the facility and updated our cleaning procedures.

Please remember to bring your own water bottle, towel, mat or other equipment (e.g., weight belts) that may be unavailable at this time.
